CUSTOMER: Upon receipt of order, a support member will attempt to contact you in **2-3 working days**. They will review the order, confirm directions and place building in production. ALL BUILDINGS ARE DELIVERED FULLY CONSTRUCTED to the site within **3-4 weeks** (weather pending) from when the order was placed. If you have any questions call **1-800-434-2151**. We level the building *not* the ground. We use a mixture of treated blocks and/or concrete blocks and shims to level the building; this is at the discretion of the delivery person. If customer wants **only** concrete blocks he/she needs to provide them. We will not use any item supplied by the customer other than concrete blocks. Customer is responsible to provide adequate access to portable building site, by trimming low hanging limbs and removal of any obstructions such as fences, trees, shrubs, vehicles, etc. Lowe's Associates, America's Buildings, or the Transport Company shall in no way be responsible for damage occurring as a result of transport, setting up of portable building to, but not limited to, yard, shrubs, trees, septic tanks, and laterals, gas tanks, water lines, water meters, etc. All permits, zoning codes, setbacks, and/or compliance, excavation or leveling beyond 16" are the responsibility of the customer. All prices and content is subject to change without notice. All stated sizes are nominal dimensions and are approximate. Additional charges may incur if delivery and setup takes longer than 1 hour. Cancellation of order after 24 hours from order placement results in a restocking fee of 15% of sale. Customer validates that building can be delivered fully built. Tie downs, anchors, and other items required by codes, etc., are the responsibility of the customer. Customer is prohibited from assisting in set up and delivery due to insurance regulations.
