E. DELIVERY

Building will arrive fully constructed at the customer's site on a truck and trailer similar to the picture. Our delivery crew will level the building with a mixture of leveling materials. Concrete blocks are the responsibility of the customer and can be purchased at Lowe's. If required additional blocks can be purchased from the driver at \$3 per block.

If the customer has a tight spot and is concerned about delivery we have a machine called a "mule". It's used for moving the building through the customers yard with out the additional bulk and size of the truck and when access is limited.

For additional info go to www.americasbuildings.com - A site exclusively for Lowe's.
